

## HF-GM100 Carbon Monoxide Detector

- Advanced electrochemical CO sensor technology
- Digital temperature compensation technology
- Low battery warning
- Anti-RF interference
- LCD back light, visible in the dark (Optional)
- Hush mode: silence an unwanted Detector

**▪ Specification**

	<b>Model</b>	<b>HF-GM100</b>
<b>General</b>	Alarm Output	Visual and audible indication
	Power	DC 2*1.5V Alkaline AA LR6(PAIRDEER)
	Battery Life Span	5 years
	Working Temperature	-10°C ~ +40°C
	Working Humidity	0%~95%RH non-condensing
	Mounting Type	wall mounting or ceiling mouting
	Alarm Sound Pressure	≥85dB at 3m

**▪ Available Model**

HF-GM100
